

Book My Slide Show for Your Group!

I have created an informative and visually helpful slideshow on recycling solutions (and more!) that I am willing to present to Bellingham area groups of 10 or more. The slides with my talk run about 30 minutes, usually paired with another 30 minutes for Q&A's. Guaranteed to educate, illuminate and empower. No charge, but you provide the space, the audience, and a smart screen or video projector. Contact me to schedule: jaco@bellcoho.com
